

PV GRID NATIONAL FORUM – ITALY
TOWARDS A LARGE SCALE INTEGRATION OF PV IN ITALY

Rome, July 18th 2013
Sala della Mercede, Camera dei Deputati
Via della Mercede,55

AGENDA

9:00 – 9:30

Registration

9.30 - 9.35

Welcome by Giovanni Simoni, President of Assosolare

SESSION 1

CONTEXT : TOWARDS AN INCENTIVE-FREE PV IN EUROPE AND IN ITALY. MARKET, REGULATORY AND INFRASTRUCTURAL CHALLENGES.

9.40 – 9.50

Setting the context: PV as a major source of electricity globally and in Europe in the future,Giorgia Concas, EPIA

9.50 – 10.00

PV Market in Italy. What's next? Eugenio De Blasio Assosolare Vice-President

10.00 – 10.10

The PV GRID project: promoting development and grid-integration of PV systems in Europe, Paolo Michele Sonvilla, Eclareon

10.10 – 10.20

Results from the PV GRID research in Italy – Andrea Zanolla, PV Grid Project Manager, Assosolare

10.20 – 10.30

Q&A and discussion

BREAK

SESSION 2

TECHNICAL SOLUTIONS TOWARDS THE LARGE SCALE INTEGRATION OF PV

10.45 - 11.35

Challenges towards the integration of PV in the Grid:

- **Technical solutions for grid integration of PV: Results from the PV GRID project and experiences from Germany**, Rainer Brohm, BSW-Solar
- **Perspective and practical experiences from grid operators:**
 - o Riccardo Lama, Head of Standardization and Working Practices, Enel
 - o Roland Hermes , System Analyses, RWE

11.35 - 11.50

Smart grid & storage solutions:

Simone Franzò, Energy & Strategy Group - MIP

SESSION 3

REGULATORY CHALLENGES TO ENHANCE PV GRID INTEGRATION (ROUNDTABLE)

11.50 - 13.00

Panel debate - Francesco Ciaraffo, QUOTIDIANO ENERGIA

Giuseppe Noviello, Presidente HFV | Assosolare

Francesco Trezza, GSE

Paolo Lugiato, A.D. RTR Energy | Vice Presidente APER

Roberto Vigotti, Segretario Generale RES4MED

12.50 - 13.00

Closing remarks by Giovanni Simoni, President of Assosolare
